Note: A camera can only be registered to one Parent Unit at any one time.

5.0 WALL MOUNTING INSTALLATION OF THE CAMERA

Go Baby AI Camera features advanced AI prediction algorithms so that unsafe sleep postures like when baby has their face covered face or aren't on their back, are detected and you are alerted via the Pixbee by Hubble Connected App.*

For accurate detection and notification of all events, please mount the camera in a bird's eye view to oversee your baby at about 4 to 5 ft (1.2 to 1.5m) distance for optimal detection like the illustration below. You can also read up more on correct camera installation angles in our

hubbleconnected.co.uk

***Refer to the Pixbee by Hubble Connected App program.**

- Position the camera mounting wall plate on the wall according to the expected camera height against the crib mattress.
- Mark on the wall the two mounting screw holes of the camera mounting plate
- Drill 2 holes with the size suitable for fitting a #6 (4mm) screw drywall anchor
- Use the #6 (4mm) self-tapping screws and associated drywall anchors to mount the disc on the wall

- Connect the USB-C socket at the end of the camera flexible arm to the USB-C plug inside the round hole of the mounting wall plate.

- Keep the camera flexible arm straight and slide in the camera support sleeve along the rail of the mounting wall plate all the way to the end.

- Align the camera head along the supporting sleeve profile, adjust the camera head for the optimal viewing angle

- To prevent the power cable from being within reach and being a potential choke hazard for the baby in the crib, it is highly recommended to cover the power cable with the Wall Wire Cover provided – Cover A is for the start and end; Cover B is for the middle sections and Cover **C** is the right-angled cover for turning the orientation from vertical to horizontal.
- Clean the wall with a soft cloth or an alcohol wipe before using the adhesive.
- Remove the clear film from the double adhesive behind each of the wall wire covers as below shown.
- Start with wall wire cover A below the camera to cover the power cable then press the cover to stick to the wall
- Snap fit the wall wire cover **B** immediate after the cover **A**. Then press to stick to the wall
- Repeat snapping the wall wire cover **B**
- Repeat the steps until the cable is entirely covered by the wall wire covers as shown below.
- Connect the end of the extension cable to the USB-C plug of the power adapter.
- Connect the USB charger to the electrical outlet.

6.0 DISPOSAL OF THE DEVICE (ENVIRONMENT)

This symbol means that your inoperative electronic appliance must be collected separately and not mixed with the household waste. Local authority has implemented a specific collection and recycling system for which producers are responsible. Help us protect the environment in which we live!

8.0 WARRANTY TERMS AND CONDITIONS

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This warranty is provided in addition to your rights under the Australian Consumer Law. Directed Electronics Australia Pty Ltd (Directed Electronics) warrants that this product is free from defects in material and workmanship for a period of 12 months from the date of purchase or for the period stated on the packaging. This warranty is only valid where you have used the product in accordance with any recommendations or instructions provided by Directed Electronics.

This warranty excludes defects resulting from alterations of the product, accident, misuse, abuse or neglect. To claim the warranty, you must return the product to the retailer from which it was purchased or if that retailer is part of a National network, a store within that chain, along with satisfactory proof of purchase. The retailer will then return the goods to Directed Electronics.

Directed Electronics will repair, replace or refurbish the product at its discretion. The retailer will contact you when the product is ready for collection. You will bear all costs involved in claiming this warranty, including the cost of the retailer sending the product to Directed Electronics.

9.0 INDEMNITY

You agree to defend, indemnify and hold harmless Pixbee and its subsidiaries and affiliates from and against any and all claims, proceedings, injuries, liabilities, losses, costs and expenses (including reasonable legal fees), including but not limited to, claims alleging negligence, invasion of privacy, copyright infringement and/or trademark infringement against Pixbee and its subsidiaries and affiliates, relating to or arising out of your breach of any provision of these terms, your misuse of Pixbee products or its services, or your unauthorised modification or alteration of products or software.

10.0 WARRANTY AND WARRANTY DISCLAIMER

Pixbee has a limited warranty, whereby Pixbee warrants to you and only to you that this Pixbee product will be free from defects in materials and workmanship for one (1) year from the date of your purchase (unless a longer warranty period is required by law). The specifics of this Pixbee limited warranty are covered in this manual.

To the extent possible under governing law, other than the above product warranty for the Pixbee product you understand and agree that the Pixbee services are provided on an "as is" and "as available" basis.

Pixbee makes no warranty that the Pixbee product and services will meet your requirements or that use of the Pixbee services will be uninterrupted, timely, secure or error-free. Nor does Pixbee make any warranty as to the accuracy or reliability of any information obtained through Pixbee (including third party content), that any defects in the Pixbee products or services be corrected or that the Pixbee products or Pixbee services will be compatible with any other specific hardware or service.

Further, Pixbee does not warrant that Pixbee products or services or Pixbee servers that provide you with data and content are free of viruses or other harmful components.

Pixbee also assumes no responsibility for and shall not be liable, for any damages caused by viruses that may infect your Pixbee. In the event of any loss, damage or injury, you will not look to Pixbee to compensate you or anyone else. You release and waive for yourself and your insurer all subrogation and other rights to recover against Pixbee arising as a result of the payment of any claim for loss, damage or injury.

Pixbee equipment and services do not cause and cannot eliminate occurrences of certain events, including, but not limited to fires, floods, burglaries, robberies and medical problems. Pixbee makes no guarantee or warranty, including any implied warranty of merchantability or fitness for a particular purpose, that the Pixbee equipment and services provided will detect or avert such incidents or their consequences.

Pixbee does not undertake any risk that you or property, or the person or property of others, may be subject to injury or loss if such an event occurs. The allocation of such risk remains with you, not Pixbee.

Other than the above product warranty for the Pixbee products, its suppliers disclaim all warranties of any kind, whether express, implied, or statutory, regarding the Pixbee services, including any implied warranty of title, merchantability, fitness for a particular purpose, or non-infringement of third-party rights.

Because some jurisdictions do not permit the exclusion of implied warranties, the last sentence of this section may not apply to you.

Pixbee hereby further expressly disclaims all liability for any claims for service failures that are due to normal product wear, product misuse, abuse, product modification, improper product selection or your non-compliance with all applicable federal, state or local laws.

This warranty and warranty disclaimer give you specific legal rights, and you may have other rights that vary by state, province, or country. Other than as permitted by law, Pixbee does not exclude, limit or suspend other rights you have, including those that may arise from the nonconformity of a sales contract.

For a full understanding of your rights, you should consult the laws of your state, province, or country. For our Australian customers: Please note that this warranty is in addition to any statutory rights in Australia in relation to your goods which, pursuant to the Australian Consumer Law, cannot be excluded.

11.0 LIMITATIONS OF LIABILITY

Under no circumstances will Pixbee be liable in any way for any content, including, but not limited to, the loss of content, any errors or omissions in any content, or any loss or damage of any kind incurred in connection with use of or exposure to any content posted, emailed, accessed, transmitted, or otherwise made available via Pixbee.

Pixbee liability for damages, especially for breach of duty or obligation, delay in performance, non-performance, or malperformance shall be precluded, except when these are due to negligent breaches of any significant contractual duty or obligation on the part of Pixbee. Any liability for negligence is limited to direct losses usually and typically foreseeable in such case. Should the claim for damages be based on wilful or grossly negligent breach of contractual duty or obligation on the part of Pixbee, the preclusion and limitation of liability mentioned in the preceding sentences will not apply. The preceding preclusion and limitation of liability will also not apply to claims for damages arising out of loss of life, bodily injury or health impacts for which Pixbee may be liable, or for non-contractual liability.

Some states and countries do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Additionally, this provision is not intended to limit Pixbee's liability in the event of Pixbee's wilful or intentional misconduct.
